

ELECTRONIC RECYCLING

March 31st,
2015

10am – 6pm

City of Newcastle, OK
Public Works
717 N. Walker Dr.
Newcastle, OK 73065

(from Main St. go East on Fox, Turn N. on Walker – the site is on the left past the Middle School and the Bus Barn.)

Do you have unused or old electronics taking up space?

United Electronic Recycling (UER) will recycle any equipment that has a plug or requires batteries! UER also provides data destruction of all Hard Drives received. UER is both R2 & HIPAA Compliant, meeting the stringent needs for your Data Security needs. Residents are NOT required to show a utility bill.

Disposal Fees:

\$5 per CRT Monitor

\$20 per TV

Bulk Amounts of material for business may qualify for Free Pickup. Please E-mail inventory list or send pictures of material to Byron Conley, Account Manager.
