

United Electronic Recycling, LLC

About us

Our corporate mission is to work collaboratively with clients to maximize their return on excess, retired and/or surplus electronic equipment. Reducing liability exposure by ensuring that equipment is properly processed and disposed of in an environmentally safe and compliant manner. Strictly adhering to all applicable laws and environmental regulations.

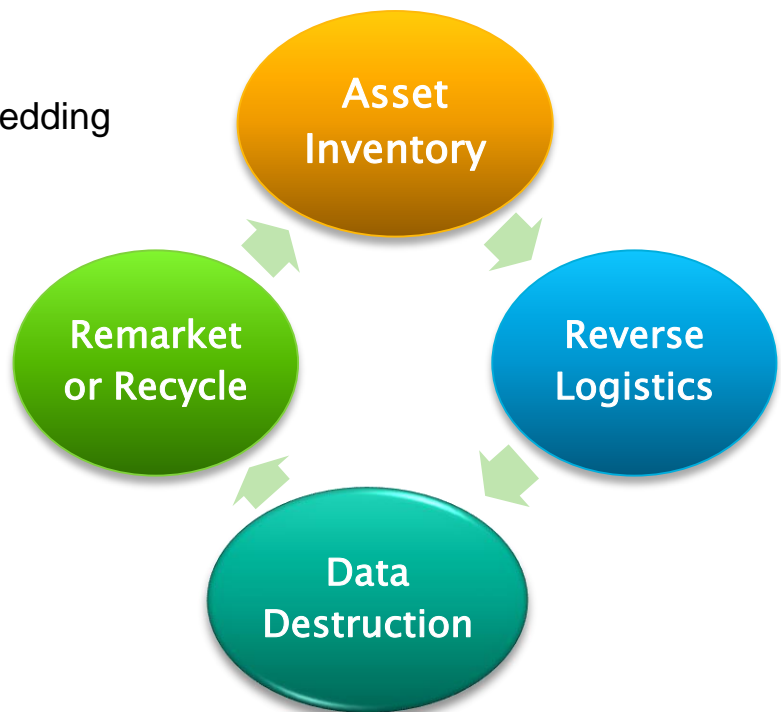

United Electronic Recycling, LLC. is a provider of end-of-life IT services with a “zero landfill objective” and a “no cost solution.” Maximize the value of your IT investment with complete confidence, knowing all data is permanently erased from hard drives.
